### LIBERTY PAINTBALL GAMES RULES/ REGULATIONS

- Goggles must be worn at all times when on the playing fields and while moving to and from fields, even behind nets. Including between games. One violation will result in you not playing one game. A second offense, you will be asked to leave, NO REFUNDS.
- Barrel covers must remain on the gun, at all times, until the start of a game, they must be put back on the barrel after a game is over or when a player is eliminated. Keep guns pointed down.
- You must request a surrender when you are within 20 feet of another player AND YOU HAVE THE ELEMENT OF SURPRISE.
- There is absolutely **NO SHOOTING** in the main building or parking lot. All guns must chrono lower than 290 FPS.
- NO drug or alcohol use is permitted.

- No personal paintballs are allowed this is a **FIELD PAINT ONLY** field. You must purchase the paint from us. If you are caught using off field paint you will be asked to leave with no refund.
- You must have both flags on your cone to win a game.
- Boundaries are marked by either caution tape / black netting.
- If you are unclear whether you or an opponent is hit please call for a ref and ask for a 'Paintcheck'. Please note, play continues during a paintcheck.
- Blind fire will not be tolerated, you must look at your target when shooting.
- If you call yourself "**out /hit**", or a paintball breaks on your body or your equipment you are **out**.
- If you are eliminated from a game and are watching from the sidelines you are not allowed to discuss other players locations.
- you must return your equipment to staff at the return window.

Please do not leave any equipment or paintballs unattended at any time, we are not responsible for lost items.  
Lockers are available for a small deposit.
